Important: It is a general rule that Public Records and commercially available data sources used on reports may contain errors. Data is sometimes entered poorly or processed incorrectly which can contribute to accuracy. Before relying on data from any system it should be independently verified. For Secretary of State documents, the following data is for information purposes only. It is not an official record. Certified copies may be obtained from that individual state's Department of State. The criminal record data in this product or service may include records that have been expunged, sealed, or otherwise have become inaccessible to the public since the date on which it was last updated or collected. Smartrenter Incorporated does not constitute a "consumer report" as that term is defined in the federal Fair Credit Reporting Act, 15 USC 1681 et seq. (FCRA). Accordingly, Mysmartrenter.com may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another permissible purpose under the FCRA.
